

Frank Nerenhausen
Oshkosh Corporation Executive Vice President and President, Commercial

Frank Nerenhausen is Executive Vice President and President, Commercial. He was appointed to this role in August 2010. In his role, he is responsible for all companies within the Commercial business unit including McNeilus, CON-E-CO, London Machinery and IMT.

Nerenhausen has had positions of increasing responsibility since joining Oshkosh in 1986. Most recently, he was Vice President of Concrete & Refuse Sales & Marketing for McNeilus Companies.

Nerenhausen has a Bachelor's of Business Administration degree in Finance and Management Information Systems and an MBA with a marketing emphasis from the University of Wisconsin-Oshkosh.
