

James W. Johnson
Executive Vice President and President, Fire & Emergency

James W. Johnson is Executive Vice President and President, Fire & Emergency. He is responsible for the overall operations of the entire Fire & Emergency Segment, consisting of the Pierce®, Oshkosh® Airport Products, Oshkosh Specialty Vehicles and Frontline™ brands.

Prior to his current role, Johnson was the Sr. Vice President of Sales and Marketing for Pierce Manufacturing. He first joined Oshkosh Corporation in 2007, as the Director of Dealer Development for Pierce. Johnson has been in specialty vehicle manufacturing for 17 years, holding positions of increasing responsibility in sales and marketing in the recreational vehicle industry with Coachmen Industries and Forest River, Inc. He is also an attorney who spent several years practicing law in Indianapolis, Indiana focusing on commercial litigation.

Johnson grew up in Palatine, Illinois. He holds a Bachelor of Science degree in Business from Indiana University, Bloomington and a Juris Doctorate degree from Indiana University, Indianapolis.
