

SCHOOL TO WORK

Eligibility Guidelines and Information

This program provides a great opportunity for students to earn their high school diploma by completing required coursework while obtaining hands-on paid job experience at Oshkosh Corporation. They will participate in a full day comprised of classroom work and on-the-job training. Students will start in an entry level position and move through various jobs to gain more experience.

Eligibility Guidelines

- ✓ Program currently available for Oshkosh, Wisconsin High Schools West and North
 - Our intention is to expand the program in the future
- ✓ Student will be a high school junior in the fall of the year
- ✓ Student is in good standing and on-track to graduate
